GLOBIS Asia Campus

Pre-Master of Business Administration
Course Assessment Format

GLOBIS ASIA CAMPUS

1. Grade

Students will be evaluated based on the sum of all points granted, and graded on a scale of A to D, and F; A (Excellent), B (Good), C (Satisfactory), D (Unsatisfactory pass) and F (Fail). The class distribution of the 5 grades will be based on a curve, relative to the total number of students who are eligible for grading. The standard grading curve is as follows: A (15%), B (35%), C (40%) and D/F (10%)*.
*Percentages differ depending on the course.

2. Grading Criteria

- Comprehension of the course concepts
- Overall contribution to the class discussions

3. Essentials modules (Essentials of Marketing and Strategy, Essentials of Accounting, Essentials of Finance)

Grades are finalized by taking into account the sum of all points granted for the following items.

(1) Assignments
- Preparation Assignment 3 pts $\times$ 6 classes + Class Review Post 1 pt $\times$ 5 classes+ Review Assignment 9 pts $\times$ 1 class $= 32$ pts total
- Preparation Assignments are worth 3 points, Class Review Post are worth 1 point, and Review Assignments are worth 9 points upon submission and acceptance by the lecturer.

(2) Class discussions
- 6 classes = 48 pts total
- Student participation will be assessed from both qualitative and quantitative perspectives, for the purpose of grading each student's contribution to the class.
    - Quality E (Excellent): 5 pts, G (Good): 3 pts, None: 0 pt
    - Quantity E (Excellent): 3 pts, G (Good): 2 pts, None: 0 pt

4. Other modules (Organizational Behavior and Leadership, Critical Thinking)

(1) Assignments
- Preparation Assignment 1 pt × 5 classes + Class Review Post 1 pt × 5 classes+ Review Assignment 3 pts × 1 class = 13 pts total
- Preparation Assignments are worth 1 point, Class Review Post are worth 1 point, and Review Assignments are worth 3 points upon submission and acceptance by the lecturer.

(2) Class discussions
- 6 classes = 48 pts total
- Student participation will be assessed from both qualitative and quantitative perspectives, for the purpose of grading each student's contribution to the class.
    - Quality E (Excellent): 5 pts, G (Good): 3 pts, None: 0 pt
    - Quantity E (Excellent): 3 pts, G (Good): 2 pts, None: 0 pt

(3) Report 10 pts maximum × 4 = 40 pts total

Students should refer to the syllabus of each course for more detailed information.
